Given I am logged in or not 4active.pl  
When I navigate to the gym schedule page  
Then I should see the following class details  
class name	date	time	instructor	available spots
Yoga	2024-09-24	10:00	Alice Johnson	5
Spinning	2024-09-24	12:00	Bob Smith	3
Pilates	2024-09-25	14:00	Cathy Lee	7
Zumba	2024-09-25	16:00	David Wilson	0

## **AV-24 Verify Class Sign-Up Functionality for Registered Users**

### **Manual**

<b>Fix versions</b>	2.5
<b>Components</b>	
<b>Description</b>	This test case ensures that logged-in gym users can sign up for classes with available spots. It also verifies that a notification appears when attempting to register for a full class, preventing the sign-up.

<b>Comment</b>

Gherkin

Given I am logged in as an admin user  
And I am on the gym schedule page  
And I have selected a class to edit  
When I modify the class details with:  
Field	New Value
Class name	"Pilates Class"
Date and time	"2024-10-05 11:00 AM"
Instructor's name	"John Doe"
Available spaces	20
And I save the changes  
Then the updated information should be reflected in the gym schedule  
And I should see a confirmation message indicating the class details have been updated
